## Front End Developer

I am a self-taught front-end developer, seeking work opportunities to gain experience and develop myself. I am highly motivated to learn and improve my coding skills to write clean, elegant, and efficient code.

## SKILLS

**Strong-** Responsive web design, html5, css3, bootstrap4, css animations

Medium- jquery, javascript

adobe photoshop, adobe illustrator

**PORTFOLIO:** <https://narozashvililevani.github.io/portfolio/>

## Projects

You can see all my projects on the portfolio page. I have built all of them from scratch for learning purposes.
